American Cancer Society

DISCOVERY BALL NEW JERSEY

Dear Friends,

Forty years ago, one generation built the foundation of the Annual Night of Wine and Roses Gala. Twenty-five years ago, a new generation took the reigns, further solidifying the event as New Jersey's premier event to support cancer research and discovery and recognize survivors, supporters, and medical professionals who inspire and make a difference in the lives of those impacted by cancer. **And just as science depends on new discoveries, our mission depends on new changemakers.**

Thus, our next event tells two parallel stories: one is the story of scientific progress and disocvery in the fight against cancer, and one is the story of leadership progress from the visionary chairs who transformed the impact of this event to the ***Next Generation*** of changemakers.

This year, we recognize the impact of our visionary Co-Chairs Emeritus, Dr. and Mrs. Michael and Marlene Nissenblatt, and welcome the Next Generation of changemakers - we hope that includes **YOU**.

The American Cancer Society is improving the lives of people with cancer and their families as the only organization combating cancer care through advocay, research, and patient support, to ensure that everyone has an opportunity to prevent, detect, treat, and survive cancer. Thanks to the progress we're making together, mortality rates from the disease have fallen 34% since 1991. That's more than 4.5 million lives saved! We are making great progress, but it's going to take all of us working together to write the next chapter - one defined by groundbreaking discoveries, lives saved, and futures forever changed.

The Discovery Ball New Jersey provides the opportunity to stand with the American Cancer Society in support of our local patients, caregivers, and researchers. Within the last 5 years alone, this event has raised nearly $3 million to end cancer as we know it, for everyone. As we work towards our next million, we hope that you will join us by making a donation or an item to our premier auctions. For more information, please contact Cara Haggerty, Senior Manager, Market Events at Cara.Haggerty@cancer.org or (732) 292-4243.
